

JOB DESCRIPTION AND PERSON SPECIFICATION

Job Title:

Regional Director

Division:

Commonwealth Youth Programme
Asia Centre, Chandigarh, India

Reports to:

Director & Head of Youth Affairs Division, (Commonwealth Youth Programme) Commonwealth Secretariat, London, UK

General Information

Young people constitute more than 60% of the population of the Commonwealth, and their wellbeing and development are essential to the success of the Commonwealth and its member states. The Youth Affairs Division (YAD) of the Commonwealth Secretariat, established in 1973 and known internationally as the Commonwealth Youth Programme (CYP), works with Commonwealth member governments, youth leaders and youth professionals on the development and implementation of policy and programmes for the empowerment of young people aged 15–29.

The work of YAD is anchored in the belief that empowered young people are assets to their societies. It is vital to ensure they realise their individual potential, and to recognise and nurture their ability to contribute to their countries' development, and the success of the Commonwealth. YAD focuses on areas of major political, economic and social importance to young people, based on mandates received from Commonwealth Heads of Government Meetings (CHOGM) and the Commonwealth Secretariat Strategic Plan. The Commonwealth Plan of Action for Youth Empowerment (PAYE), developed by YAD in partnership with youth development stakeholders, underpins the work of YAD, and provides encouragement and guidance to member governments and other development organisations to create the optimum enabling environment for young people to participate as equal partners in development and democracy.

YAD operates from a pan-Commonwealth international office at the Commonwealth Secretariat's headquarters in London, and four regional CYP Centres located in Africa (Zambia), Asia (India), the Caribbean (Guyana) and the Pacific (Solomon Islands). As well as stand-alone initiatives, YAD partners with other Commonwealth Secretariat divisions to integrate a youth perspective across all key facets of the Commonwealth (economic, political, human rights etc). YAD also facilitates and supports representative youth leaders to build networks and have a voice in the Commonwealth.

The CYP Asia Centre focuses on youth development in the eight Commonwealth member countries in the Asia region, which have a combined population of 1.4 billion people. The Asia Centre helps to formulate policies and programmes for youth development, working collaboratively with governments, young people and other stakeholders.
