

14 March 2005

Commonwealth Day

Education

creating opportunity realising potential

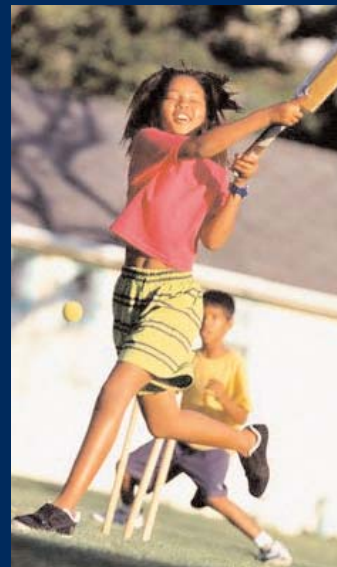

Commonwealth action on education:

- achieving universal primary education
- eliminating gender disparities
- improving quality in education
- using distance learning to overcome barriers
- supporting education in difficult circumstances
- mitigating the impact of HIV/AIDS in education

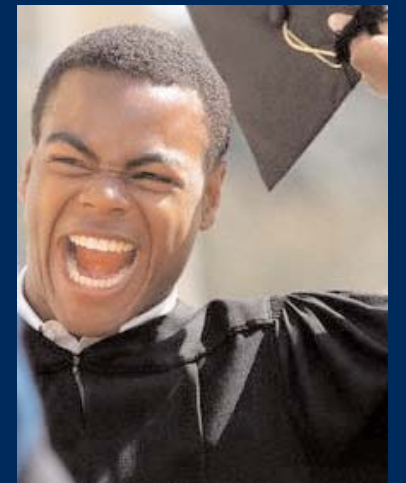

sharing skills and expertise

sport for health

53 countries learning from each other

achieving excellence

learning to lead

achieving harmony

aiming high

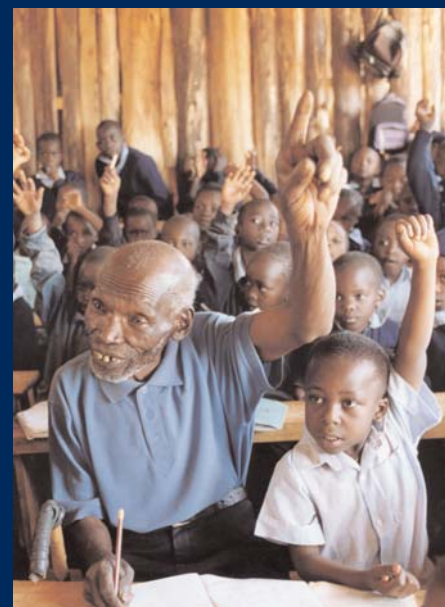

distance education

artistic development

expanding horizons

never too late to learn

HIV/AIDS education

teaching through technology
